Unique Services at the Methodist Church.

Sunday night at the Methodist church the usual order of services was varied. Mr. Jones, after commenting briefly on the scriptures he had read, stated that Mr. O. K. Taylor would soon leave Scotland Neck to make his home in Whitakers.

He made a few short remarks concerning the service that Mr. Taylor had rendered the church during the twenty years that he had been one of its members, and then, called on Mr. Taylor for some farewell words.

Mr. Taylor, with much feeling, expressed his love for the church, and the deep interest that he had always taken in all that pertained to it, and the regret he felt in having to leave.

After Mr. Taylor's remarks were concluded, Mr. Jones, in behalf of the Official Board, of which Mr. Taylor was for a long time chairman, presented him with a pair of gold cuff-buttons, as a token of the high esteem in which they held him, and the appreciation they felt for all that he had done among them.

Mr. Taylor has been a citizen of Scotland Neck for the past twenty years, and the people of the entire community deeply regret his going away.

His health had not been good for some time but the immediate cause was pneumonia.

He was a well known citizen of the county bore the highest esteem of all who knew him. He was a high toned Christian gentleman, a good and true citizen, and his death is a great loss to his community and the county.

He had many friends in Scotland Neck who will be pained to learn of his death and who deeply sympathize with his stricken family.

To Aid Road Fund.

An effort will be made to have the Legislature pass a law requiring every male citizen in Scotland Neck, Palmyra and Roseneath Townships between the ages of 18 and 45 to work the public roads of those townships when so required by the Township Supervisors, but no one will be required to work more than six (6) days in one year.

Much and lasting good work has been done on our roads, but the Road funds are not sufficient to do the work that should be done. We only pay 12 cents on the hundred dollars worth of property, while a near by county not so able as we pay 33 1-3 per cent and use the convicts in working the roads, beside hired help.

Let us have good schools, good churches and good roads and you will see the southern part of old Halifax jump.

Doctors

say take Cod Liver Oil—they undoubtedly mean Scott's Emulsion.

It would be just as sensible for them to prescribe Quinine in its crude form as to prescribe Cod Liver Oil in its natural state. In

Scott's Emulsion

the oil is emulsified and made easy to take—easy to digest and easy to be absorbed in to the body—and is the most natural and useful fatty food to feed and nourish the wasted body that is known in medicine today.

Nothing can be found to take its place. If you are run-down you should take it.

This is just the time of the year when you are most likely to contract a severe cold, and you should always have Kennedy's Laxative Cough Syrup handy, especially for the children. It tastes nearly as good as maple sugar. It cures the cold by gently moving the bowels through its laxative principle, and at the same time it is soothing for throat irritation, thereby stopping the cough. Sold by E. T. Whitehead Co.
